

SAFETY meets SECURITY

Enabling next generation collaborative and highly automated systems

7 November 2019, Stuttgart-Fellbach/Germany

Your Safety & Security Expert Meetup!

Discuss **safety-security challenges** in automotive and non-automotive applications:

- Best practices for safety and cybersecurity co-engineering
- Solution concepts for safety and security in open, adaptive, and autonomous systems

Presenting companies

- APSYS Risk Engineering GmbH
- DB Netz AG
- exida
- Ford-Werke GmbH
- Fraunhofer IESE
- Human Reliability Associates Ltd
- IABG mbH
- INVENSITY GmbH
- Philips
- Robert Bosch GmbH
- Siemens Mobility GmbH
- Vector Consulting Services GmbH

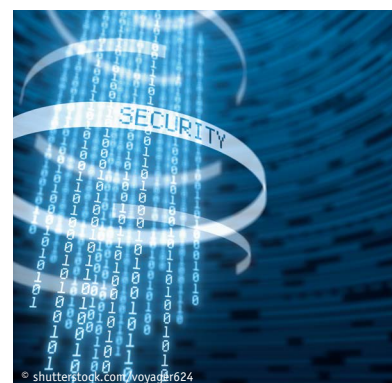

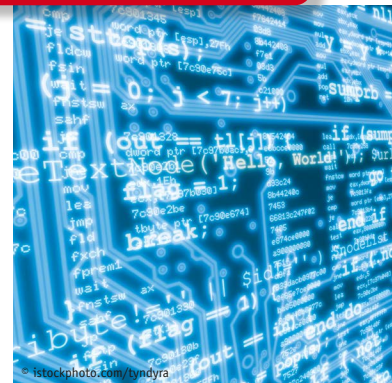

Organized by

Partner

Confirmed Exhibitor

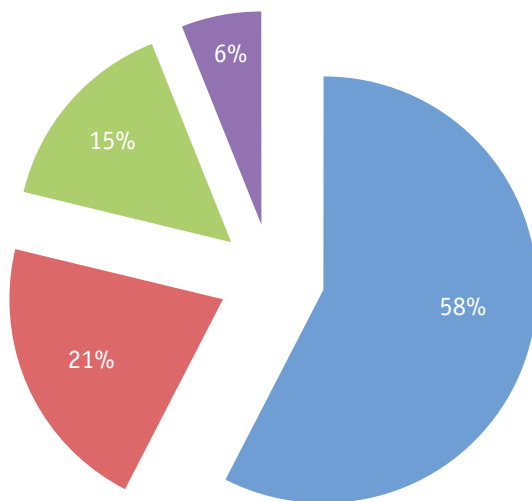

Advisory board

- Dr. Daniel Schneider
 › Fraunhofer IESE (Chairman)
- Prof. Dr. Jens Braband › Siemens Mobility GmbH
- Stefan Kriso › Robert Bosch GmbH
- Erwin Schoitsch
 › AIT Austrian Institute of Technology
- Dr. Martin Kubisch › Airbus

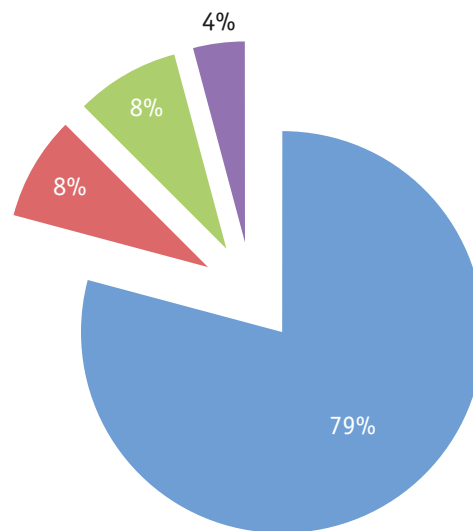

Whom you will be meeting at the conference

Branches

- Automotive Construction and Suppliers
- Software Development
- Electrical Engineering/Electronics
- Research Institutes

Departments

- Research & Development
- Construction/Product Development
- Quality Management
- IT

Exhibition & Sponsoring

Present your brand and meet your target group!

An expert audience, topics highly relevant to the market and a professional conference concept create the environment for your brand presence.

Please contact us, so we can prepare an individual offer for you.

Wednesday, 6th November 2019

07.00 pm **Networking Event – Meet up with other participants, speakers and board members!**

Location: Fellbacher Weingärtner, Kappelbergstr. 48, Fellbach

This evening offers you the opportunity to meet with other conference participants and speakers in a casual and relaxed setting. Have a glass of wine and a local snack, then enjoy pleasant conversation and extend your network.

Thursday, 7th November 2019

08.30 am **Registration and Welcome coffee**

09.00 am **Welcome**

Dr. Daniel Schneider (Chairman)

09.10 am **Overview about Safety & Security: Rail – norms and standards**

Christian Schlehüser, Teamleader Cybersecurity › DB Netz AG, Frankfurt

09.40 am **Overview about Safety & Security: Automotive – norms and standards**

Stefan Kriso, Bosch Center of Competence Functional Safety › Robert Bosch GmbH, Stuttgart

10.10 am **CoSaSeRA – Combined Safety & Security Risk Assessment**

Thorsten Wollweber, Product Security Manager › APSYS Risk Engineering GmbH, Hamburg

10.40 am ☕ **Coffee break**

Automotive Session

11.15 am **Agile systems engineering for critical systems**

Prof. Dr. Christof Ebert, Managing Director
› Vector Consulting Services GmbH, Stuttgart
Frank Kirschke-Biller › Ford-Werke GmbH, Köln

11.45 am **Safe & Secure development – Challenges and opportunities**

Jana Karina von Wedel, Deputy Head of Cyber Security and Data Privacy › INVENSITY GmbH, München

12.15 pm 🍽️ **Lunch**

01.30 pm **Safety & Security pattern**

Dr. Daniel Schneider, Department Head
› Fraunhofer IESE, Kaiserslautern
Dr. Zhendong Ma, Development Engineer
› Robert Bosch AG, Vienna, Austria

02.00 pm **Safety & Security for autonomous driving – two worlds clashing?**

Clemens Röttgermann, Florian Bogenberger › exida.com – Excellence in Dependable Automation GmbH, Neubiberg

Non-Automotive Session

11.15 am **Rail2X and ITS Security**

Dr.-Ing. Slawa Lang, Development Engineer in Systems Engineering › Siemens Mobility GmbH, Braunschweig

11.45 am **Safety and security in medical devices – improving people's lives**

Dirk de Wit, Director Product Security IGT
› Philips, Eindhoven, Netherlands

12.15 pm 🍽️ **Lunch**

01.30 pm **Co-engineering for Safety and Security (the AQUAS project perspective)**

Dr. Peter Popov, School of Mathematics, Computer Science and Engineering, Department of Computer Science
› City University of London, UK

02.00 pm **Safety & Security in smart farming**

Erwin Schoitsch, Christoph Schmittner
› AIT Austrian Institute of Technology GmbH, Vienna, Austria

02.30 pm ☕ **Coffee break**

03.15 pm **Safety & Security culture**

Dr. Mark Sujan PhD FHEA, Senior Safety Consultant › Human Reliability Associates Ltd., Dalton, United Kingdom

03.45 pm **Human Factors 4.0: Understanding human psychology to ensure a safe and secure environment**

Prof. Dr. Harald Schaub, Head of IABG Safety & Security Academy › IABG Industrieanlagen-Betriebsgesellschaft mbH

04.15 pm **Closing words and end of the conference**

Please also note our other Safety & Security conference:
safetronic.2019, 5th to 6th November 2019

Carl Hanser Verlag | Conferences and Fairs | tagungen@hanser.de | Tel.: +49 89 998 30 465

Location

Schwabenlandhalle | Guntram-Palm-Platz 1 (Please note: formerly Tainer Str. 7-9 for not updated navigation systems) | 70734 Fellbach | www.schwabenlandhalle.de

Conference fee

Registration fee until 07.10.2019 € 690.– | Registration fee from 08.10.2019 € 780.–
10% discount for subscribers of the magazine HANSER automotive or members of ASQF e.V.
Discounts for University Staff are available on request. All prices plus German VAT.

Benefits

The conference fee includes proceedings available for download, lunch, coffee breaks, refreshments as well as announced events or company visits. Participation in company visits is conditional. You will receive your name tag at the registration on-site. Hereby the name tag serves as authorization to call upon the benefits mentioned above.

Registration/Cancellation

Your registration is binding once a written confirmation is issued. This also applies to the participation in announced tours. With your signature, our terms and condition are accepted. Participants with billing address outside of Germany, Austria and Switzerland, please pay by credit card.

You agree with your registration that you will be seen as a participant in any photos or videos.

Cancellation of your registration must be in writing and, up to two weeks prior to the start of the event, is subject to a processing fee of € 100,- plus the statutory VAT. If the cancellation is postmarked after the deadline, you are required to pay the full registration fee. It is, of course, also possible for a colleague to use your registration if you cannot attend personally. The program is subject to change. Should the conference be canceled, the registration fee will be reimbursed in full. We will inform you immediately and transfer the paid fee back to your account. However, Hanser will not be liable for any other expenses incurred, such as travel, hotel, or others

Accommodation

Arrival and overnight-stay are not included in the conference fee. Please make your booking by yourself. A limited number of rooms at a reduced price are available for participants. All information about the hotel can be found in the conference details under www.safety-meets-security.com and further accommodation under www.hanser-tagungen.de/hrs.

Journey

For your journey by train you can use the cost-efficient event ticket of »DB Vertrieb GmbH«. You can find detailed information about the offer on www.hanser-tagungen.de/DBSonderkonditionen. The offer is bookable at the hotline 0180 6 31 11 53 by the reference: »EW Medien«.

Our detailed terms and conditions can be found at www.hanser-tagungen.de/agb.
